NAVIGATING CHANGE.

The JLR Rebranding Sub Committee, consisting of Andy Stuart, Kevin Eborall, and Mike Ilsley, emphasized that despite the significance of the JLR rebranding, our Club's core constitutional mandate remains unchanged. Strengthening our partnership with JLR is a key focus for the team as we move forward.

Preserving the Legacy:

Join us in Unveiling the Untold Stories of the Land Rover Owners Club.

In the vast and ever-evolving world of digital technology, where information is just a click away, there is something truly special about tangible artifacts that connect us to the past. The Land Rover Owners Club of Southern Africa recognizes the significance of its historical journey and the importance of preserving the Club's heritage for generations to come.

We are delighted to

announce a new initiative aimed at collecting and archiving historical Club information and documents. We invite all Club members who possess letters, general correspondence, newsletters, magazines, and any other materials that chronicle the Club's history to consider making them available to the Executive Committee for digital archiving and physical storage.

This endeavor was inspired by the exceptional efforts of Jan Voster, a devoted Club member who generously contributed a

substantial collection of historical documents. Jan's contribution came with the stipulation that the physical history of the Club should be cherished and protected, ensuring that it remains an invaluable asset to the Club.

The history of the Land Rover Owners Club is a fundamental aspect that sets us apart from the numerous clubs emerging in the digital landscape. It embodies our rich traditions, shared experiences, and the unwavering passion we have for Land Rovers. By safeguarding our history, we strengthen our identity

and preserve the essence of what makes our Club so unique.

It is important to note that this archival project is not meant to replace the previous digitization efforts led by Malcolm Timberlake. The earlier initiative sought to create a lasting digital record of the Club's history using available sources. Our current project aims to complement those efforts while placing equal emphasis on preserving the physical artifacts that hold immeasurable value.

The Land Rover Owners Club of Southern Africa has always been a community bound by camaraderie, shared adventures, and a deep appreciation for the Land Rover heritage. From its humble beginnings, when Frank Dandridge and Reg Whitley acquired their first Land Rovers and connected through Fischer & Simmonds, the Club has grown into a thriving organization.

The inaugural meeting took place on 26 July 1960, after Bill Siebert, the owner of a safari company in Bechuanaland, shared captivating stories of his journeys and rallies attended in Solihull. Practical advice from J.D. Tracey, the Secretary of the Land Rover Owners' Club of Great Britain, helped shape the Club's early days. With eleven founding members who contributed an entrance fee of 5 shillings and an annual subscription of 1 Guinea, the Land Rover Owners Club of Southern Africa officially came into existence.

From that point forward, the Club embarked on a remarkable journey, marked by adventures, safaris, rallies, and cherished memories. The first rally, held on 10 September 1960, brought together seven participants, three marshals, and a crowd of enthusiastic spectators. Land Rovers showcased their capabilities in the fine sand and challenging black mud, captivating the audience and igniting a surge of membership inquiries.

Throughout the years, the Club's activities expanded to include safaris to Portuguese East Africa, photographic expeditions in the Kalahari Desert, and angling adventures along the 'Oro' coast in Mozambique. Film evenings allowed members to share their remarkable footage from safaris across the continent, cementing the sense of camaraderie and exploration.

Club socials, roaring log fires, juicy steaks, and

competitive rallies became staples of the Club's vibrant social calendar. As the years went by, the Land Rover Owners Club of Southern Africa continued to evolve, organizing safaris (now known as long trips), rallies (now called trials), film evenings, technical talks, and away weekends. The enduring bond between members, forged all those years ago, still thrives today, offering unwavering support and assistance to fellow Land Rover enthusiasts.

Now, as we celebrate the Club's 63rd anniversary, we embark on a new chapter of preserving our history. We call upon each member to contribute their personal archives, allowing us to create a comprehensive repository that reflects the richness and diversity of our Club's journey. Your letters, general correspondence, newsletters, and magazines carry the stories and memories that define us. By sharing them, you ensure that our legacy lives on.

The Land Rover Owners Club of Southern Africa cherishes its heritage and is committed to safeguarding it for future generations. Let us join hands in this endeavor, bridging the gap between the past and the digital age. Together, we can create a treasure trove of historical knowledge and ensure that the Land Rover Owners Club remains a beacon of tradition, camaraderie, and passion.

Please contact the Executive Committee to contribute to this archival project and help us weave a tapestry of our shared history. Your contribution will be invaluable, and we extend our deepest gratitude to all those who have already played a part in this important endeavor.

Let us preserve our past, embrace our present, and drive toward an exciting future together.

Navigating Change

Charting a Course for the Future

The JLR Rebranding Sub Committee, comprising Andy Stuart, Kevin Eborall, and Mike Ilsley, recently convened their inaugural meeting to discuss the implications of the rebranding for our esteemed Land Rover Owners Club of Southern Africa. The outcome of the meeting highlighted the following:

While the JLR rebranding holds significance, it does not alter the fundamental constitutional mandate of our Club. Our primary objective remains steadfast - providing a welcoming environment where Land Rover owners can connect, forge meaningful relationships, and revel in the joy of driving their

exceptional vehicles.

Building upon our strong bond, we recognize the importance of fostering even closer ties between our Club and JLR. Efforts are underway to continue our proud tradition of cooperation and strengthen the enduring partnership that has contributed to our growth and success. This ongoing collaboration remains pivotal as we strive towards new horizons together.

It is worth noting that, despite the significance of this event, our Club's essence and purpose remain unchanged. We remain dedicated to upholding our values and delivering extraordinary experiences to our cherished members.

The Sub-Committee has already embarked on various activities and investigations to stay well-informed and ensure that our Club continues to thrive. We are actively developing and nurturing relationships to preserve our status as the premier Land Rover Owners Club that we all hold dear.

In conclusion, the first meeting of the JLR Rebranding Sub Committee provided valuable insights and reaffirmed our commitment to maintaining our Club's essence while embracing the evolving landscape. We look forward to an exciting future filled with memorable experiences for our esteemed members.

Join us for an unforgettable Landys and Lattes event like no other! This July, we're taking our passion for Land Rovers and coffee to new heights in the scenic Magaliesburg Mountains near Hartbeespoort Dam. Thanks to our partnership with BearQuip, we have secured special permission to access private land. Even though our numbers are lower than their usual, MO'BA Coffee has generously agreed to make their Defender 90 with a fitted espresso machine available for the event, ensuring an extraordinary experience.

Picture yourself sipping a rewarding cup of coffee at the top of a dirt trail, surrounded by fellow Land Rover enthusiasts, sharing stories of adventure and laughter. While you enjoy your delicious coffee, hosts Clint and Michelle will serve up delectable pancakes, combining indulgence and adventure. For those seeking a more relaxed experience, you can enjoy a scenic drive back down to the entrance after the coffee and pancakes. However, if you're up for an after-coffee challenge, join us on a thrilling journey to the mountain's summit, testing your Land Rover's capabilities. And for the adventurous souls, a steep descent to the bottom on the other side of the mountain awaits if you prefer not to turn around and enjoy the leisurely route back.

The event is open to all, with no cost to attend or booking cutoff. However, due to the special land access, we kindly ask that you remain respectful of the total number of vehicles participating. Numbers have been growing considerably, so be sure to secure your spot and get all the details by joining the WhatsApp group through the provided QR code.

We extend our heartfelt gratitude to BearQuip and MO'BA Coffee for their invaluable contributions in making this event truly extraordinary. Let's create lasting memories together!

Welcome to our Newest Members...

As the Chairperson of our Club, it gives me great pleasure to extend a warm welcome to our newest members. We are thrilled to have you join our community of passionate Land Rover enthusiasts who share a common love for adventure, exploration, and camaraderie.

I was recently reminded of the profound impact that our Club can have on our lives by Paul Foster, the Chairperson of the LROC PE Chapter, who stated, "I am never leaving the Club, you never know who is joining next and you never know... they might very well be your next best friend." These words truly resonated with me as they highlight the power of connection and friendship that lies at the heart of our Club.

Although our Club has been in existence for over 63 years and has matured as an organization, we recognize that we are never too old

to make new friends and embrace new experiences. We are excited to have you as part of our community, and we look forward to creating new memories and sharing many adventures together.

I invite you to take advantage of the numerous events and activities that we offer and to fully immerse yourselves in the Land Rover Owners Club of Southern Africa. It is through your participation and enthusiasm that we will continue to thrive and grow as a community.

Once again, welcome to our Club. I hope you enjoy being a part of it as much as I do, and I look forward to seeing you soon and sharing the joy of Land Rover ownership with you.

For the daring and adventurous, the Sable Ranch 4x4 trail awaits, ready to test your skills and ignite your sense of adventure. Conquer the obstacle course, navigate through the thrilling river run, and

ascend the mountain on rocky terrain that will leave you breathless. With the support of our fantastic group, you'll conquer every twist and turn, creating memories that will last a lifetime.

Once we reach the summit, be prepared to have your breath taken away by the awe-inspiring panoramic views that stretch as far as the eye can see. Unfold your camping chairs, set up your tables, and create a cozy spot under the clear blue sky. Bring along your

favorite snacks, cold drinks, shade, and shades, and immerse yourself in the unparalleled beauty that surrounds us. Lunch on the summit will be a short but memorable bush affair, filled with camaraderie, laughter, and the joy of shared adventures.

As we make our way back down the mountain, get ready for an exhilarating descent that will put your Land Rover's capabilities to the test. There may be a few alternate routes for the bold and adventurous,

adding an extra element of excitement. Remember, safety first, and never forget the wise saying, "You have to drive your vehicle home, so don't be stupid!"

Finally, before bidding farewell, take a moment to savour a warm farewell coffee, reminiscing about the incredible memories created throughout the day. Don't miss out on this unforgettable experience that combines heart-pounding thrills, breathtaking views, and the camaraderie of fellow LROC

members. Secure your spot today and let the excitement begin!

Landys and Lattes June 2023 Gg's Café

10 June 2023
 Kyalami, Gauteng
 By Simon Meanwell

A Saturday morning filled with warmth and sunshine set the stage for another remarkable Landies and Lattes event. The engines of our beloved Land Rovers roared to life as we each embarked on a journey to Gigi's Home of the Belgian Waffle, eager to welcome our fellow LROC members.

Mike, the owner of Gg's, opened up a paddock exclusively for us to park our Land Rovers together. Like a harmonious symphony,

one after another, our Land Rovers arrived, forming an impressive lineup of 9 Defenders, 1 Series 1, and 3 Discoverys, all basking in the glorious Kyalami sunshine.

We gathered at a reserved table in the beautiful garden, embraced by the warmth of the sun, as we indulged in mouthwatering waffles, burgers, and delightful breakfast fare. The coffee flowed, and conversations ignited with passion. The unanimous verdict was that

Gigi's serves the best waffles outside of Belgium—truly a culinary delight!

The morning unfolded at a leisurely pace, with members catching up on recent adventures and sharing stories. Rick Mason captivated us all with his stunning photographs and captivating tales from his time at Land Rover's 75th Anniversary Down Under in Australia. We were thrilled to welcome 6 Land Rover enthusiasts (non-members) who had heard about our

Landies and Lattes through the grapevine. Their admiration for the LROC spirit was palpable, and they expressed a strong desire to join us again.

As the clock ticked toward lunchtime, members bid their farewells and revved their Landies, ready to embark on their journeys homeward. Another successful Landies and Lattes event was etched in our memories, confirming that these gatherings are truly gaining momentum.

We eagerly anticipate the next one in July, eagerly awaiting the chance to reunite and create new memories.

The Land Rover Owners Club of Southern Africa extends its heartfelt gratitude to Gigi's Home of the Belgian Waffle for their warm hospitality and delectable offerings. Their partnership added an extra layer of delight to our event. Let the Landies and Lattes spirit thrive!

Drive and Lunch Return to Chaf Pozi 2023

25 June 2023

Regrettably, despite our enthusiasm and anticipation for the event, we experienced poor attendance which ultimately led to the decision to cancel the event on the day. We understand this was a disappointment, especially considering that Return to Chaf Pozi has traditionally been a favorite venue and well-attended event in the past.

However, in true Land Rover Owners Club spirit, those who did attend the

event made the most of the situation and decided to visit a local restaurant instead. They embraced the opportunity to enjoy a quiet afternoon, savoring each other's company and fostering the camaraderie that defines our community.

While we are disappointed that the event didn't unfold as planned, we want to express our gratitude to the attendees for their adaptability and positive outlook. It is this spirit that sets our Club apart and reinforces the strong bonds that we share.
