The Committee wishes all members the very best for the holiday season, if you are travelling please go safely and we look forward to seeing you at the events planned for next year.

We are in the process of mailing the 2016 Calendar, Membership Directory and the Landroving Magazine. Please keep a look out for the notification from the Post Office to collect the tube containing the goodies.

2015 seems to have flown by with the Club having arranged some 25 events for our members during the course of the year. We are sure those who participated in these arranged events enjoyed them immensely. If you have not attended a club event we encourage you to do so as on many of them you will learn a lot about the amazing vehicles you drive. This is very true for the more modern versions including everything from Discovery 3/4's to Range Rovers. All events are designed in such a manner that the possibility of damage to member's vehicles is minimised.

2015 is also the end of the production of the iconic Defender in the UK, as a sad decision taken by Jaguar Land Rover. Our calendar is dedicated to the Defender showing it in action at various club events over the years. Rumours abound that these may in the future be built somewhere else in the world. We wait to see if this is true.

At the Xmas Kids event the club hosted a group of young ladies from one of the homes in the Acres of Love group. This was coordinated by a club member, hereunder is a note from Sven..

Attie

Attached is a card that the kids made and given to me. I am sure that you agree that it tells a good story and I can also tell you that Acres of Love really appreciate the whole experience that you guys afforded the kids.

Furthermore Mommy Joyce Denise and myself have also stated a few times that the day was really fantastic.

So on behalf of the kids and Acres of Love I really wish to thank you very much for the effort you guys put into making it a great success.

Regards
Sven

CODE OF CONDUCT

Abide by the rules, constitution, conservation code and code of conduct of the Club.

Be a considerate member drive responsibly.

Assist fellow members.

Promote the safe and responsible use of Land Rovers.

Respect rules in all parks, conservation areas, public and private lands.

Maintain your vehicle in a sound on- and off-roadworthy condition.

Do not litter

OPEN VEHICLE, CO-DRIVER, AND OTHER REGULATION CHANGES

Open Vehicles

The ban on open vehicles without approved roll-over bars has been lifted under certain conditions.

Due to safety issues, open vehicles without approved roll-over bars were banned from partaking in LROC events as per the **OFF-ROAD DRIVING SAFETY RULES AND REGULATIONS**:

- All open vehicles without a permanent roof or vehicles with removable fibreglass roofs must be fitted with a roll bar of at least 38 mm in diameter affixed in such a way that it in itself will not collapse in the event that a roll over occurs

This ban has now been lifted under the following conditions:

- Certain obstacles at trials and trails may be rated as "Safe for open vehicles" if the Clerk of Events deems the risk at such an obstacle low if driven in a "slow and safe" manner. Any driving style that is deemed by the Clerk of Events to fall outside this description will lead to the driver being disqualified from the event.

This concession is to enable owners of series and special vehicles to enjoy their Land Rovers in a safe environment.

Co-Drivers

Many participants in the club trials share vehicles, not all are blessed with more than one Land Rover. This does pose a problem though, in that the co-driver learns much about the obstacle before driving it for the first time as a driver, giving them perhaps an unfair advantage. To compensate for that, the following rules have been added:

- Any driver negotiating an obstacle for points in the driver's challenge, must pass through /over an obstacle for the first time for the points to count.
- Any driver may only be co-driver for a person that is not taking part in the driver's challenge
- Neither co-driver nor driver may have previous knowledge of an obstacle having driven or co-driven when crossing an obstacle for points in the driver's challenge.

This does mean that if you want to share a vehicle, you will have to take along a non-competing person to co-drive for you (he/she may still drive after you if not competing)

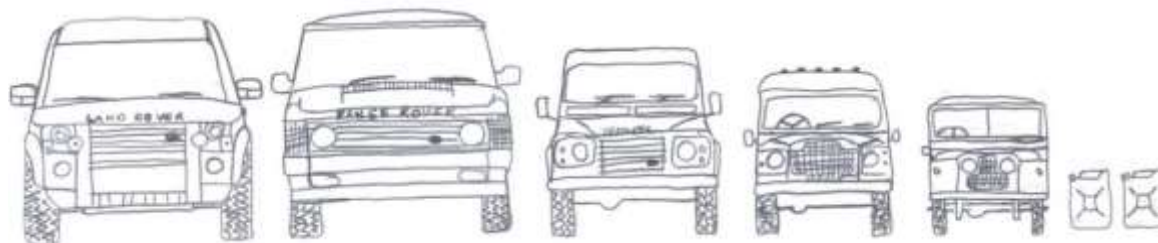

Training (Beginner) and Trialling (advanced) groups

In future, all participants will be divided into 2 groups: Training and Trialling according to their skill and readiness level. Anyone is welcome to participate in a LROC Drivers challenge. To be eligible to compete for the trophy, you have to be rated by the Clerk of Events as trial ready – "Trialling". Beginners and drivers that are still training, may participate, learn and practice without the added pressure of competition. They are encouraged to take as co-driver any of the "Trialling" drivers or "Trial Rated" members as mentors, whose input would be needed, as well as proving to the Clerk of Events that he/she is ready and capable to compete. Current members who are frequently trialling must simply speak to the Clerk of Events at the next event to have their status confirmed and recorded. Obstacles will also be rated as "Beginner friendly" or "Experienced Only" at trials and trails.

LROC CHRISTMAS WEEKEND AT RUST DE WINTER

On one side of the coin it's the silly season and on the flip side you realize 2015 is done with. This year was no exception and the weekend went as the previous years with the exception that we played host to one of many homes for children from the Acres of Love. They arrived early on Saturday morning and spent the day at Rust de Winter. For most of them a first time experience in outside city boundaries and from what I could gathered, they enjoyed it tremendously. Sven van Steijn brought them out for the day and they even went to the 4x4 playground for their first off road driving experience with some of the other members who took them aboard in their vehicles. Due to the hot and dry weather conditions, the swimming pool also proved to be a popular place. Each of the children received a present from Father Christmas as well as a meat pack. I was amazed to see that they all braai their own meat! (see thank you card later in newsletter).

Bruce Richards accepted the task to pull the trolley train with his 90 after a bit of clean up was necessary and kids as well as "concerned" parents went for a ride throughout the campsite. If the laughter and scream was anything to go by, they enjoyed this thoroughly. The trolley idea made way for Father Christmas who arrived in Joe Gordon's 90. He gave the kids a short talk on their behaviour the last year and warned them to behave in the next. Maybe that was something closer to home.

The kids received their presents and it was one of those indescribable and priceless moments. It's right there and then that you realized it all the planning and effort is worth its weight in gold. The look on the faces of some children's faces told its own story.

The evening was spent around fires and this time around our butcher managed to supply us with good quality meat pack again.

Sunday, the kids took to the Kiddies Trial and thanks to Leon de Beer and Co. a good course was set out. Brain Cotton made his go-carts available and after the trial the kids drove around a track laid out for them.

I couldn't help but to think about Megan Lochner. She started her off road career as a lap driver many moons ago, here on the same grounds and was crowned as our current Overall driver of the Year at the last AGM.

Thanks to all for making it an enjoyable weekend and specifically to Janet Fletcher and Son for the presents, Colin Ross for you know what and Brain Cotton for the go-carts.

The Kiddies Trial winners are as follows:

Attie Smit

All the winners are:

Girls self-drive

Lindsay Engelbrecht - 60 points

Boys self-drive

1st Dean Cotton – 5 points

2nd Aedan Engelbrecht – 32 points

3rd Nathan Fletcher - 57 points

Boys lap drive

1st Ewan Cotton – 0 points

3rd Rudi Cotton – 10 points

5th David Ashcroft 28 points

2nd Cobus Winkel – 8 points

4th Gustav Winkel 13 points

Many thanks to all drivers who participated.

Technical Day ORRA Radio Afternoon 31 Oct 2015

23 Members gathered at the TorqTune office in Midrand to attend a presentation on 2-way radios. Various topics were covered and afterwards members had a braai.

If there is a need, the presentation can be repeated in 2016. Please let me know by email if such a need exist.

The following is a table of the ORRA channels as used by the LROC and other clubs recognized by ORRA.

NEW ORRA VHF CHANNELS - 01 DECEMBER 2011 (USER VERSION)								v-5

Future Events

Loskop Away Weekend

Date: 27 to 29 November 2015
 Where: Seekoeigat in the Loskop/Groblersdal area. Directions will be forwarded on booking.
 Bookings: Isla Blaza 011 3121 423
 Organizer: Attie Smit 083 292 2412
 Campsite GPS co-ordinates : S 25.33297 E 29.39382
 Cost: R370.00 per night in the 2-bed bungalows (3 available) fridge but no bedding;
 R220.00 per night for a campsite for 4 plus R50.00 pppn for an additional person(s) with a maximum of 6 per campsite; and
 R100.00 per vehicle for the mountain drive.
 Unlike the previous years, the owner will collect your camping fees on arrival and it **will NOT** be collected by the Club's Administrator.
 Wood and ice will be available at the venue .

Mountain Drive: We will leave the camp for the drive at Saturday morning at 09:00, in convoy.

We will camp at Seekoeigat and pay a nearby farm a visit on the Saturday. It will be a scenic mountain drive and should be fun for the whole family.

We will have a lunch break and enough time will be allowed to bring out your "skottel" for a braai.

Please remember to have your recovery gear at hand since the route will be a different challenge if it rains a day or two before our visit, or even on the day itself.

All is welcome to spent Saturday evening around a camp fire on the banks of the Olifant's River and a bag of wood per vehicle should be sufficient.

Sunday will be spent at your own leisure and you could also pay a visit to the nearby Loskop Game Reserve.

Please be aware that we camp next the Olifants River and you will have to take protective measures against mosquitoes.

Camping fees will be collected at the venue by the owner on arrival and those for the mountain drive will be collected on departure.

This will be our last away weekend for 2015 and not to be missed.

Attie

PS: The campsite is on the Western bank of the river and there is another on the Eastern so don't be misled by your GPS and thus cross the river to the other side

ANNUAL GENERAL MEETING

DATE: SATURDAY 20 FEBRUARY 2015
 WHERE: LAPA AT RIETVLEI NATURE RESERVE
 TIME: 14:30 FOR 15:00
 CONTACT ANY COMMITTEE MEMBER

Please note that the 56th AGM will take place on the 20 February 2016. We are again using Rietvlei Nature Reserve just South of Pretoria. As this venue continues to be a hit, we have booked the lapa again. The facilities are great and there is

enough parking available, and plenty of braai places. As is the established custom, the Club will be providing braai packs for all members attending. Regalia will also be on sale. Be sure to tell the person on duty at the gate that you will be attending the LROC AGM, and sign the attendance register at the gate, otherwise you will be charged entry fee. For those interested in a position on the committee please check nomination form at the end of this newsletter.

Minutes of 2014 AGM are available on the website under News and Updates.

Other Events

Winston Ilsley, a club member, has booked an away weekend to Buffalo Gorge (Middleburg environs), 12/13 December.

This is an open invitation to all club members, if you would like to join him, please email Winston - sales@directlogic.co.za to confirm a booking. Please note that this is not an organized club event, and as such no bookings can be made with the club.

Herewith some details: All pricing and further information on Buffalo Gorge can be obtained from their website <http://www.hhashi.co.za/>

Date: 12 / 13 December 2015 **Contact:** Winston Ilsley – sales@directlogic.co.za

If sufficient interest, Winston is also prepared to do a Christmas tree - each person can then bring a small present for their partners or spouses just for the fun of it.

EASTER IN THE MOUNTAINS

Spend Easter 2016 with the club in the Eastern Cape Highlands, part of an escarpment in the southernmost end of the mighty Drakensberg mountain range. Our adventure is planned for the long weekend away trip to Tiffendell near Rhodes, departing 21/3 and arriving back home on the 28/3.

Tiffendell is centred at the heartland of the famous 8 passes routes. We intend using Tiffendell's fun and unique hospitality as our base for exploring the 8 passes of the Eastern Cape Highlands. These include the infamous Naude's Nek –the second highest mountain pass in South Africa, Joubert's Pass and our very own Carlislehoek Pass amongst others. For details on the trails please click [here](#). Our planned route to Tiffendell will include a stop over and

Accommodation includes both camping (limited electrical points) and chalets. Preferential rates have been secured by the club. All rates will be provided in the following newsletter.

Other activities offered are mountain biking, hiking, birding and fly fishing and for the kids Tiffendell offers mountain boarding and grass skiing.

If you would like to join the club this Easter in the highlands, please book with Isla. For further information please contact Trevor Fletcher at trevorlandy@gmail.com

TONTELDOOS FESTIVAL 2016

Date: 25 – 28 MARCH 2016
Where: Tonteldoos near Dullstroom.

During the weekend in May 2015 spent at Joe Holmes' farm Bush Boys, the residents from Tonteldoos invited the LROC to participate in their annual Tonteldoos Festival which will be held over the Easter Weekend 2016 in and around the Tonteldoos/Dullstroom area.

Although the weekend's programmed isn't yet finalized the Tonteldoosers asked us to help out by acting as marshalls (nothing that serious) and point participants to "treasure hunt/geocaching" of the area in the right direction – sort off. Joe will let us stay on his farm again and for those who haven't been there yet, the facilities are great.

The Tonteldoosers will have more information available nearer to the time, but those who have made plans for Easter and wish to spent some quite time in the bush, please contact me to put your name on the list.

VACANT COMMITTEE POSTS:

PRO

Somewhere out there, I know there is someone who has the talent and skill to be our PRO. If you know of some suitable candidate or want to make yourself available for the post, please contact me. Please note that the person has to attend a Committee meeting to enable the Executive Committee to make a decision. Knowledge of website and Facebook management will be a requirement. The successful candidate will be co-opted to the Executive Committee and will have to be elected to the position at the AGM of 2016.

Dear Land Rover Club.

Thank you so much for the lovely outing. We really enjoyed meeting new people; going on obstacle courses and meeting Santa Claus! We really appreciate it. We really, really appreciate it. What the Land Rover Club did for us really meant a great deal to us. The obstacle course was so fun even though some of us screamed during the course.

We had a really great; wonderful time swimming. We really enjoyed the braai. It gave us a chance to really see it. Some of us knew how to braai meat (though some of us did). The train ride was super fun. We then decided to go for a little walk.

We meet new people; saw new things. We were really grateful for the lovely dinner that was prepared for us. Thank you again for a lovely trip and great experience. It really does mean a lot to us. Thank You and God Bless!

Love 8 1/2 girls.
