Ok RB is back!!...just when you thought it was safe to read the newsletter...you see me on the front page **AGAIN!!!!**

Seriously though, this month we are having a **XMAS SALE** (it is only 2 months away!!!)...check out the last page of this newsletter. It has some of the goodies I have on sale, but I have lots more, but I don't have the space to put it all into the newsletter and still haven't mastered the website!!

Our stock is discounted from 10% to a massive 50% so for enquiries contact me on
076 955 5200 or regalia@lroc.org.za

All my stock must go, 'coz I need the room to get new stock and as you all know I have limited room in the trailer!!!

More exciting news is that we will be carrying Recovery gear as from November, and we already have a nice selection of accessories for your Landy, which are also on sale.

Please be nice to me and buy lots of Regalia 'coz I really do need the space and I really want to buy lots of new stuff, because I really like buying things.....
Happy Trails

EASTER IN THE MOUNTAINS

Spend Easter 2016 with the club in the Eastern Cape Highlands, part of an escarpment in the southernmost end of the mighty Drakensberg mountain range. Our adventure is planned for the long weekend away trip to Tiffindell near Rhodes, departing 21/3 and arriving back home on the 28/3.

Tiffindell is centred at the heartland of the famous 8 passes routes. We intend using Tiffindell's fun and unique hospitality as our base for exploring the 8 passes of the Eastern Cape Highlands. These include the infamous Naude's Nek –the second highest mountain pass in South Africa, Joubert's Pass and our very own Carlislehoek Pass amongst others. For details on the trails please click [here](#). Our planned route to Tiffindell will include a stop over and

Accommodation includes both camping (limited electrical points) and chalets. Preferential rates have been secured by the club. All rates will be provided in the following newsletter.

Other activities offered are mountain biking, hiking, birding and fly fishing and for the kids Tiffindell offers mountain boarding and grass skiing.

If you would like to join the club this Easter in the highlands, please book with Isla. For further information please contact Trevor Fletcher at trevorlandy@gmail.com

REQUEST FOR INFORMATION FOR THE PLANNED BOOK ABOUT LROC

"55th year book of LROC SA

We are making some progress to date but we need assistance of the members.

As this is a "coffee table" publication it needs lots of quality of pictures of interest not just pages of text so we are looking for good quality pictures of people and past events.

If you have any historical pictures that you want to have published in the book please contact the book editor. We are also looking for a sub editor to go through the archives of the period 1980 to 1990 and extract some good information about the club for inclusion in the book.

The book editor is John Menasce and he can be contacted on 082 602 7005 or at johnmenasce@gmail.com.

55TH FILM EVENING & BRAAI

On the evening of 17th October a mighty battle ensued. It was the evening of the quarterfinals between the Springboks and the Welsh in the Rugby World Cup and LROC members were torn - to join other fans at some of the many rugby fan venues around SA, or to join a handful of die-hard faithful's enjoy a braai at the SA Guide Dogs Association near Lonehill and then listen to a fascinating presentation by Dirk Uys on the history of the Jerry Can. The amount of research put in by Dirk over the years could easily match the 926kg of the Springbok pack – brain for brawn that is. The Springboks won their game, and so did Dirk, and those who came did too. At the time of writing (Saturday 25th) Dirk's presentation goes on to the finals to be presented to the War Museum folks, unlike the Springboks who, by 2 points, were knocked out by New Zealand after losing some traction in the second half.

Hannes van Vuuren also gave us a few short video screenings of Land Rovers which was also informative. We look forward to him putting together a 55th video of this year's various events. So watch this space.

PS. We were listening to the game on an iPad via the Tunein App to Rugby World Radio

 MOUNTAIN DRIVE PAY AT VENUE (CASH) R100
 CAMPING COSTS R50 PER PERSON PER DAY (PAY AT VENUE)

Come and join in a weekend filled with excitement for all. A drive, Father Christmas, a Saturday evening braai and a chance for the kids to drive daddy's Landy in a trial!

There will be a short mountain drive on Saturday morning starting 9.30 for 10am departure. Cost is R100 per vehicle for the self-drive in convoy. Low range is essential as well as recovery equipment present in the vehicle to take part. Also what is an advantage is a vhf radio so that your drive will be more informative.

Costs are R50 per person per day for the use of the venue, which is payable at the gate on arrival. Camping cost is included in the fee of R50 for the use of the venue. Camping facilities includes ablution and showers with hot water. Day visitors to the gymkhana area are required to pay R50 per vehicle per day at the main entrance kiosk.

Please note that all members are welcome but **must book** to give us an indication of numbers. Grannies and Grandpas are welcome to bring their grandchildren. Let's have as many members enjoying the Rust de Winter camping experience together with lots of socialising.

Booking is essential as primary school children's gifts have to be ordered. **No booking No gift.**

The program for the weekend is as follows:

Friday: People arrive as they wish and pay entrance fee at the gate.

Saturday: Mountain drive at 9.30 (bring picnic basket for lunch stop on the mountain no fires or braais). Father Christmas arrives 16:30

Thereafter we will have a braai and enjoy the evening.

Sunday: The children's trial starts 10:00 at the gymkhana area.

NB: The Club can sponsor only children of bona fide members therefore no guests will be accepted.

Directions to Rust de Winter: Turn off N1 at Hammanaskraal turnoff turn right and first left and continue for 30 km to T junction. Turn right and follow road until it narrows over a small bridge where the ATV club approx S25.19883 E28.57522 is on the right. Do **not** take the turnoff which says Rust de Winter Dam.

R100.00 per vehicle for the mountain drive.

Unlike the previous years, the owner will collect your camping fees on arrival and it **will NOT** be collected by the Club's Administrator.

Wood and ice will be available at the venue .

Mountain Drive: We will leave the camp for the drive at Saturday morning at 09:00, in convoy.

We will camp at Seekoeigat and pay a nearby farm a visit on the Saturday. It will be a scenic mountain drive and should be fun for the whole family.

We will have a lunch break and enough time will be allowed to bring out your "skottel" for a braai.

Please remember to have your recovery gear at hand since the route will be a different challenge if it rains a day or two before our visit, or even on the day itself.

All is welcome to spent Saturday evening around a camp fire on the banks of the Olifant's River and a bag of wood per vehicle should be sufficient.

Sunday will be spent at your own leisure and you could also pay a visit to the nearby Loskop Game Reserve.

Please be aware that we camp next the Olifants River and you will have to take protective measures against mosquitoes.

Camping fees will be collected at the venue by the owner on arrival and those for the mountain drive will be collected on departure.

This will be our last away weekend for 2015 and not to be missed.

Attie

PS: The campsite is on the Western bank of the river and there is another on the Eastern so don't be misled by your GPS and thus cross the river to the other side

TONTELDOOS FESTIVAL 2016

Date: 25 – 28 MARCH 2016
Where: Tonteldoos near Dullstroom.

During the weekend in May 2015 spent at Joe Holmes' farm Bush Boys, the residents from Tonteldoos invited the LROC to participate in their annual Tonteldoos Festival which will be held over the Easter Weekend 2016 in and around the Tonteldoos/Dullstroom area.

Although the weekend's programmed isn't yet finalized the Tonteldoosers asked us to help out by acting as marshalls (nothing that serious) and point participants to "treasure hunt/geocaching" of the area in the right direction – sort off.

Joe will let us stay on his farm again and for those who haven't been there yet, the facilities are great.

The Tonteldoosers will have more information available nearer to the time, but those who have made plans for Easter and wish to spent some quite time in the bush, please contact me to put your name on the list.

REQUEST FOR SERIES 1 VEHICLES FOR FILMING IN BOTSWANA.

Those who want to assist may contact Jeanne directly.

Dear Sir,

We are currently busy with pre-production on a film that is being shot on location outside Gaborone.

The film is based on the life of Sir Seretse Khama.

Apart from all the other vintage vehicles we have to acquire/rent for the film, we are also looking for an early 50's Series1. I do realise that this is quite a tall order, and any fortunate person that owns one, is not likely to want to part with it, in any sense of the word.

The vehicle will be used on scattered dates over a 2 week period. It will have to travel to Gaborone, on a car trailer or auto carrier, depending on where it comes from. It will be comprehensively insured by us.

The owner is of course invited to join us on this venture, all expenses paid.

We will negotiate a picture deal for the rental of the vehicle, for the 2 week period. It would be greatly appreciated if you could let me know if there is any possibility of acquiring this vehicle.

Please let me know if you require any additional info.
Kind regards,

Jeanne Henn

RULE #5: Speak across the microphone, not into it.

ORRA frequencies and channels are shared across the 4x4 community; please refrain from using bad language while on the air. Children playing on the radio are also a problem and cause for frustration. Children should however be trained to use the 2-way radio in case of an emergency.

Stay tuned

VEHICLE NEEDED FOR A TRAVEL STORY

As I mentioned, one of the journalists at the prestigious Robb Report in the US wants to do a travel story with a vintage Land Rover, Range Rover or Series 1 and 2 vehicles when he drives through South Africa. They'll be doing all of their own arrangements, but they would like to see if it's at all possible to arrange the car, first. There is no specific requirement regarding the type of Range Rover, just that it should be "a classic".

Here is a link to one of the stories that was previously done – a vintage ride through Italy.

Let me know if any of the club members will be able to assist.
